

LENDKEY STUDENT LOAN SURVEY 2019

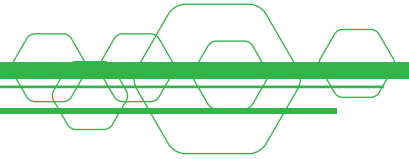

Educational Resources

Q To what extent do you think it was easy or difficult to receive the amount of loan money that you got for school?

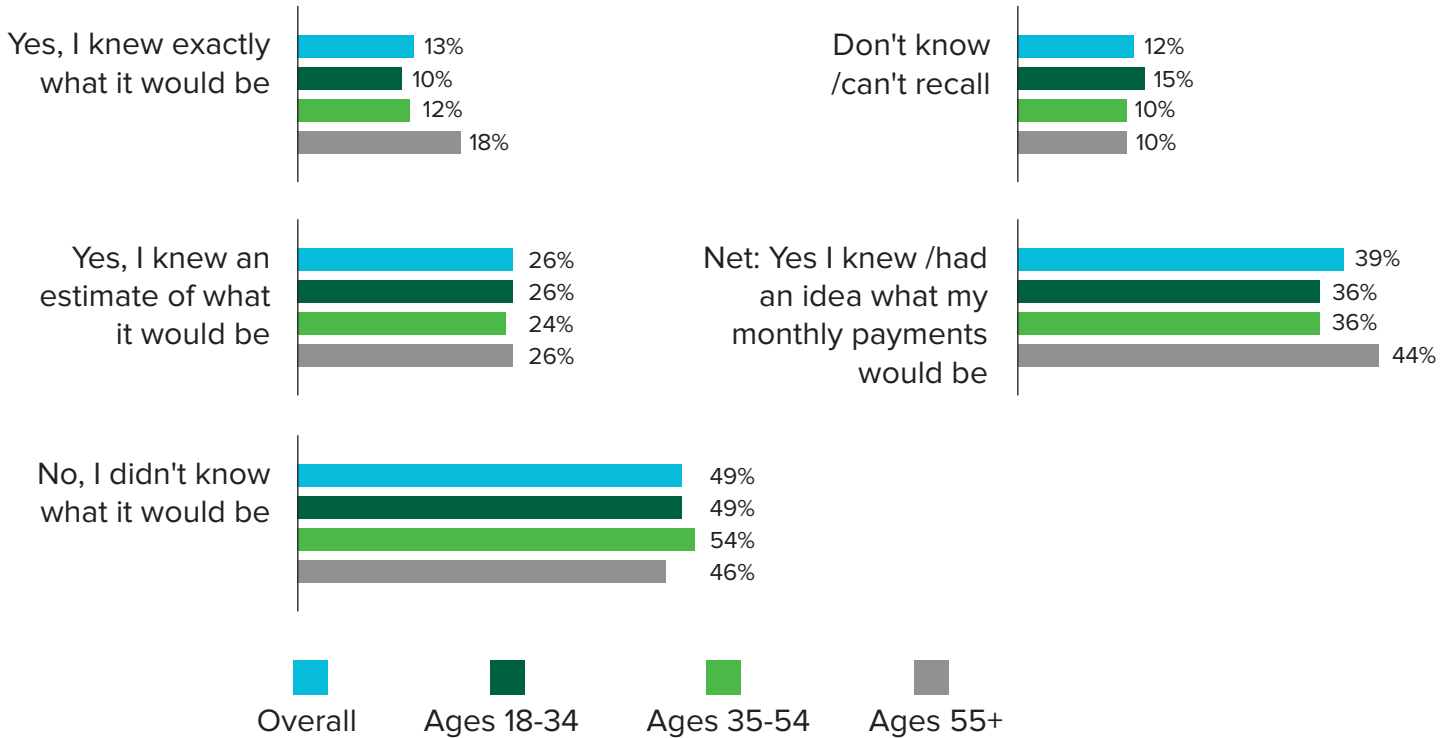

Q Which one, if any, of the following statements best describes your choice(s) of lenders when you took out your loans?

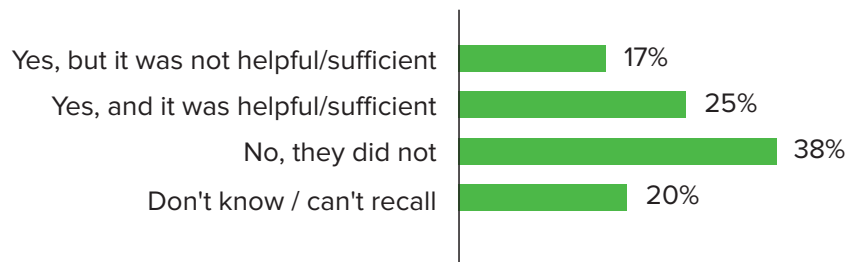

Q At the time you signed your student loan paperwork, were you aware of what your monthly payment would be after graduation?

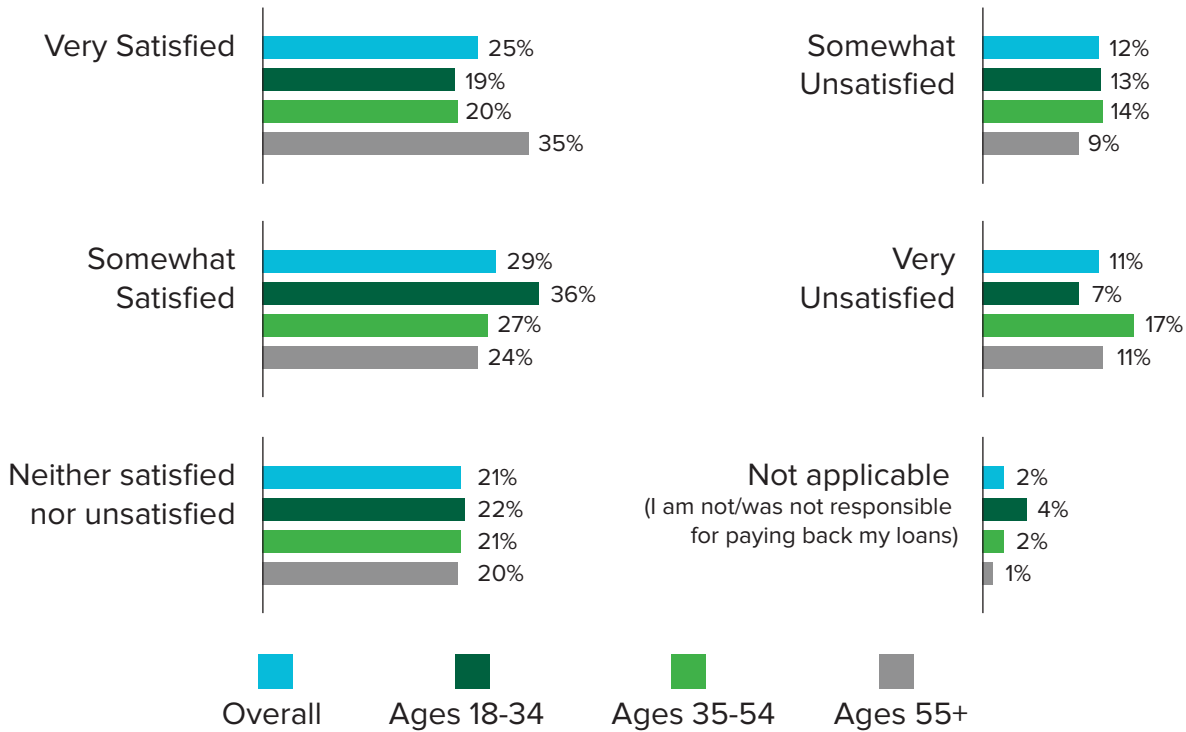

Q Did your college or university provide any education about the loan process prior to your signing off on your loan?

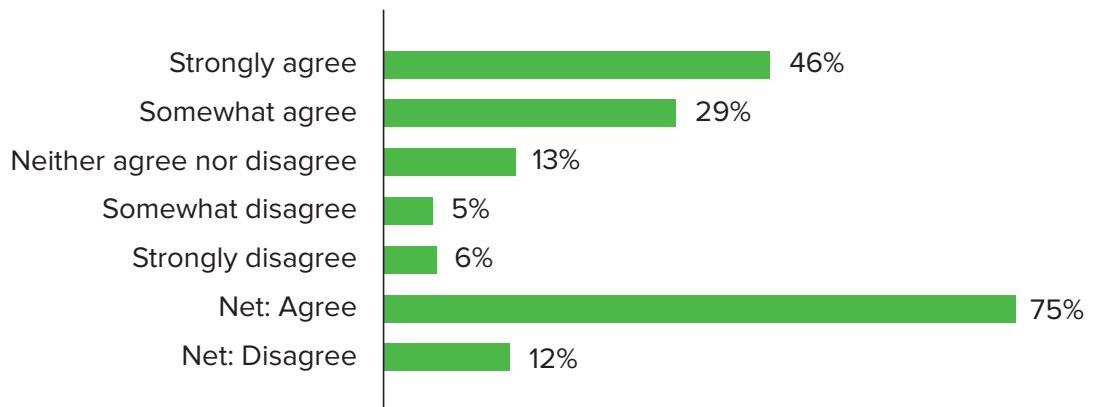

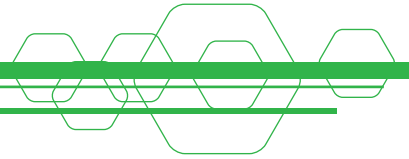

Positive Experience

Q To what extent are you satisfied or unsatisfied with your college / university choice given your ability to pay back your loan(s)? Highlight: Satisfaction increases with age.

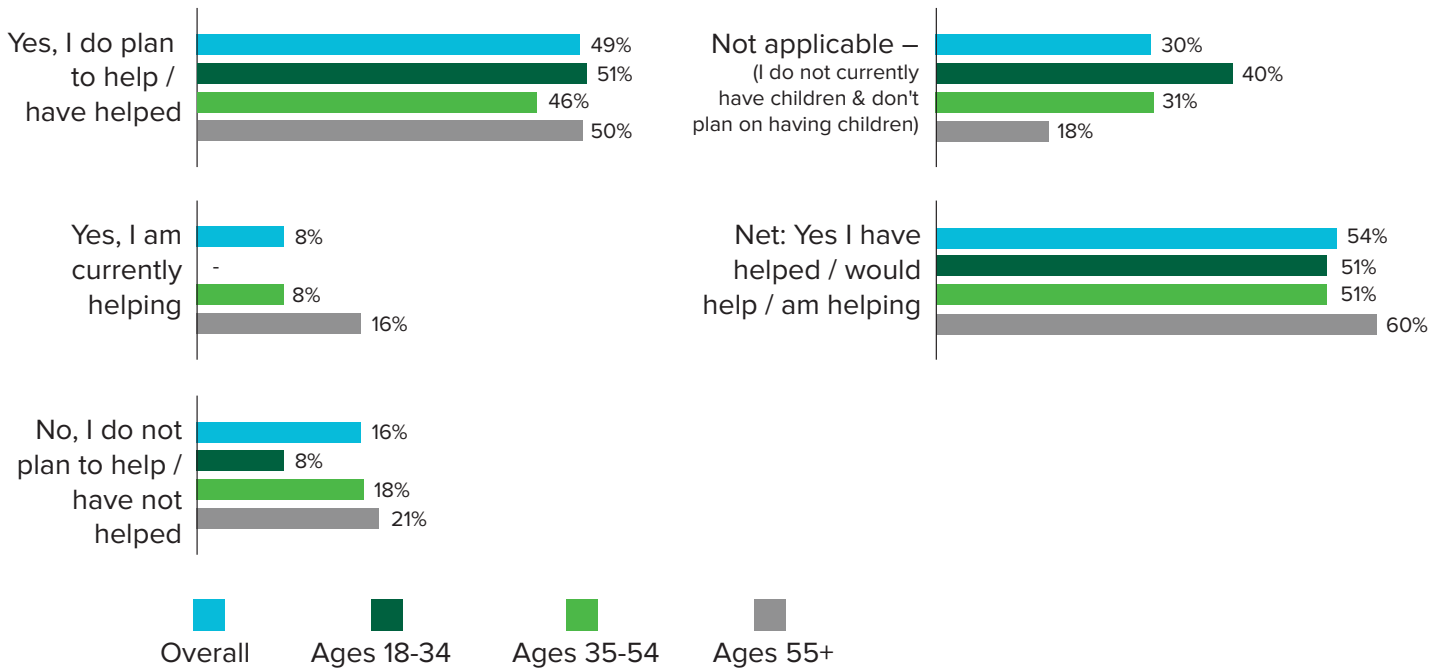

Q Student loans made it possible for me to attend a college / university that I otherwise would not have been able to afford.

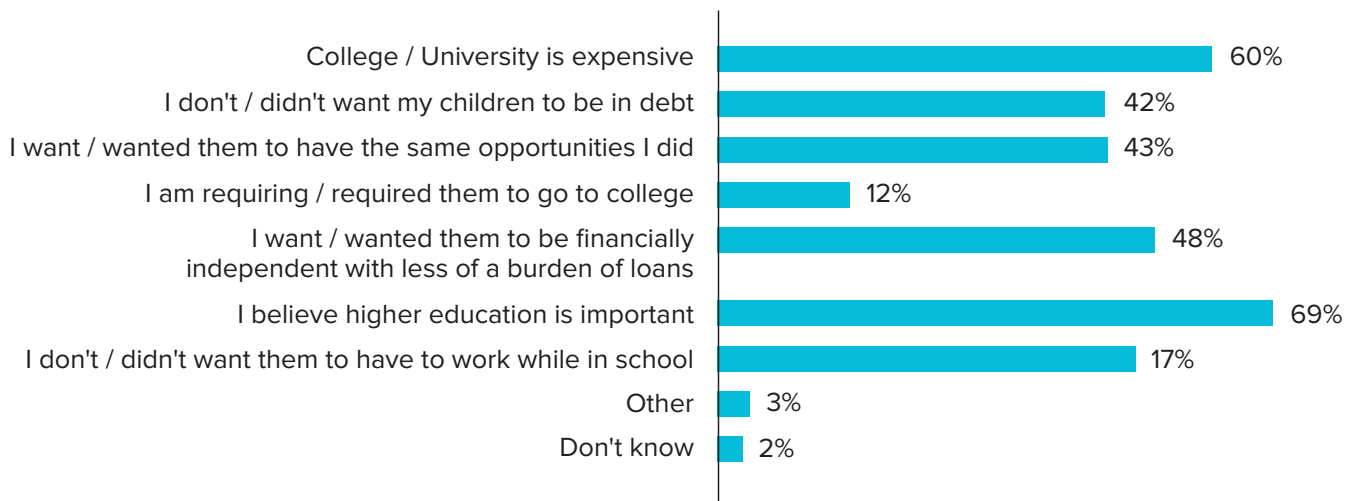

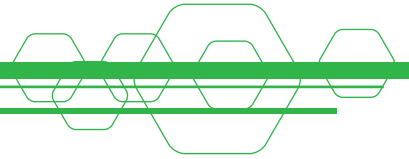

**Q Do you plan to help / have you helped your child(ren) pay for college / university?
Please select all that apply.**

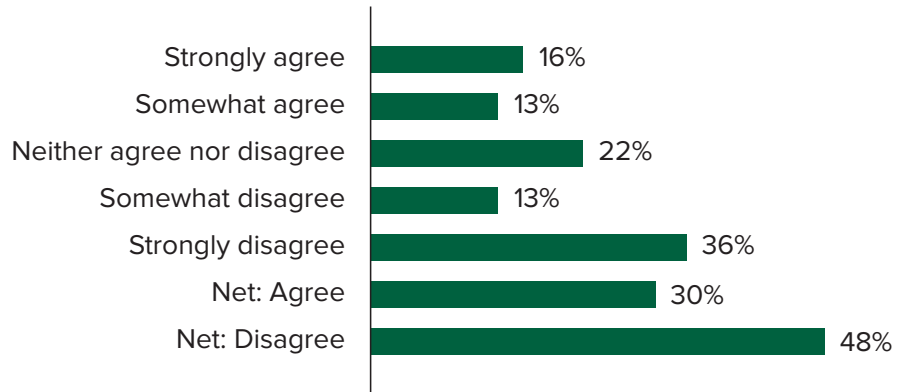

Q Which, if any, of the following describe why you plan to help / have ever helped your child(ren) pay for college / university? Multiple answers allowed

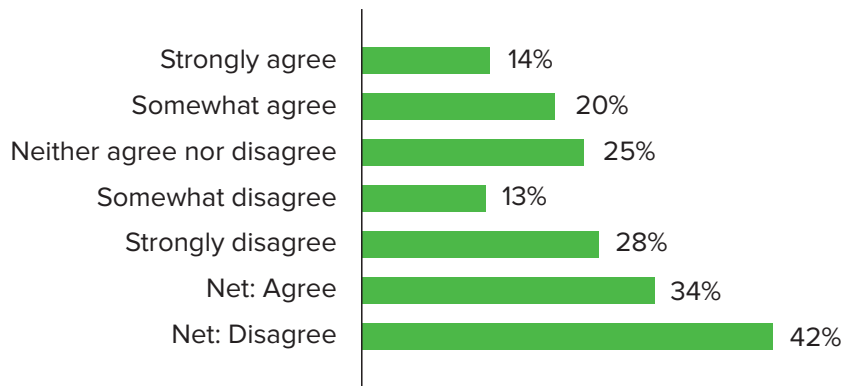

Q I decided to pass on my first choice college / university due to the high tuition costs.

Q I decided to attend my specific college / university based on the student loan package I was offered from that school.

Q Would you ever / have you ever cosign(ed) a student loan for your child(ren)?
